# MAGIC WORD

This book is illustrated by:

—————  
(Your Name Here)

Property of Nalinikids

Property of NaliniKIDS

Property of NalinikIDS

My name is **Oopa**, and my MAGIC WORD is  
**CONNECT**. I love to talk, and I'm happy we  
just met.

Property of NalinikIDS

I want you to meet some of my best friends:

**Inka, Zink, Lini, and Bino** (you'll meet the rest before the end)!

Property of NalinikIDS

---

Inka's MAGIC WORD is **HAPPY**. He laughs all day long and loves to eat taffy.

Property of NalinikIDS

---

Zink's MAGIC WORD is **LOVE**. He loves everyone, even that creature above!

Property of NalinikIDS

---

**Lini's** MAGIC WORD is **CREATE**. She loves art  
and eats orange grapes!

Property of NalinikIDS

**Bino's** MAGIC WORD is **FIX**. She's always busy and builds things with sticks.

My friends have  
different MAGIC  
WORDS than me  
because we each have  
a different personality.

You have a different  
MAGIC WORD too!  
A MAGIC WORD that  
perfectly describes you.

Property of NalinikIDS

My MAGIC WORD is **CONNECT** because if I don't **CONNECT**, I get upset.

Property of NalinikIDS

---

I love to **CONNECT** to my friends all day long.  
It feels like I'm singing my favorite song.

Property of NalinikIDS

I like to **CONNECT** the dots on this paper.

Connecting comes first—everything else comes later!

Property of NalinikIDS

---

I like to **CONNECT** to my mom and my dad.  
I like to **CONNECT** even when I am sad.

Property of NalinikIDS

---

I love to **CONNECT** to understand why I like  
the things I do—even eating worm pie!

Property of NalinikIDS

---

My MAGIC WORD has so much power. When I say it, this weed turns into a flower!

Property of NalinikIDS

My MAGIC WORD makes everything bright.

It makes everything fun, like my new friend

**Dodite.**

My MAGIC WORD lives  
deep down in my heart.  
It goes where I go;  
we're never apart.

Did you know your heart is waiting to be filled with a MAGIC WORD, so its power can build?

Property of NalinikIDS

You'll have the power to change a sad mood, and the power to see this problem as good.

With no MAGIC WORD,  
your heart becomes sad.  
Your heart might turn  
sour, and that is just bad!

Property of HALMOKIDS

Property of NalinikIDS

When your heart feels rotten, it starts to shrink down to the size of **Pedinkadink's!**

Don't worry—I will share  
the secret right now  
for choosing the best  
MAGIC WORD and how.

It's simple!

The best MAGIC WORD  
for you = your heart's  
favorite thing to do.

Property of NalinikIDS

I know it is hard to pick only *one* word when there are so many out there that want to be heard!

Property of NalinikIDS

Your family and friends can try to help find  
your true MAGIC WORD that is one-of-a-kind.

But you are the one  
that gets to choose  
the MAGIC WORD  
you wish to use!

So take some time  
and think about what  
your heart cannot live  
without.

What do *you* need  
to fully succeed?

Your MAGIC WORD  
will help you greatly,  
if you keep it in your  
heart and share it daily.

Property of NaliniKIDS

Since it will always be there, your heart will  
be strong everywhere!

Property of NalinikIDS

And whether you're 15 or 500 years old, you will still have powers all over the world!

Enjoy your MAGIC  
WORD, my friend!

Thanks for helping me  
**CONNECT!**

I hope we do it again.

## MAGIC WORD

The effervescent character of Oopa takes readers on an upbeat journey to find their MAGIC WORD. As Oopa says, “The best MAGIC WORD for you = your heart's favorite thing to do.” A MAGIC WORD has so much power: it can help strengthen your daily life and help you achieve your goals. Join Oopa and her friends as you connect to *your* MAGIC WORD.

You may have noticed that there aren't any pictures in these books! Fill up the blank pages with illustrations of how you imagine the story.

## About This Collection

The Connect Collection helps readers study a very important subject—themselves! This collection turns readers into co-authors and illustrators as they apply their unique life experiences and perspectives to bring the books' lessons to life.

The Connect Collection is appropriate for ages five to adult. Collect and complete all 40 books!
